

## Notice for Students

1. PG meetings will be held every month and students can submit their proposals to the office anytime. However, proposals submitted at least seven calendar/working days prior to the meeting date will be considered for review. Otherwise the proposals will be reviewed in the next PG meeting.

2. Students must complete and obtain minimum CGPA (i.e., 2.65) in at least four courses before submitting the thesis proposal.

3. From now on, new students will not be allowed to take thesis credits in their first semester.
