

POSTGRADUATE (PRE-DEFENSE) SEMINAR **NOTICE**

The 6th postgraduate (pre-defense) seminar of the April-2025 semester will be held on **13th December 2025 (Saturday)** at **09:00 am**. The following presentation will be delivered in the seminar classroom (510), IWFM, BUET:

ASSESSMENT OF URBAN RESILIENCE TO CLIMATE CHANGE: A CASE STUDY OF SIRAJGANJ MUNICIPALITY

by

Sabiha Mahbuba Siza

Postgraduate student of Water Resources Development (WRD)

Important Notes:

1. All the students must enter the classroom **before 09.00 AM**.
2. **At least 80% attendance** (of the assigned seminars) is required to get a satisfactory grade "X" in the WFM/HE/CMRM 6000 course.
3. Due to limited seating, only the students of **Climate Modeling and Risk Management (CMRM)**, and **Humanitarian Engineering (HE)** who are registered for the **CMRM 6000** and **HE 6000** course, need to attend the seminar lecture for attendance.
